Notes:

1. If your circumstances change in the future and you no longer pay sufficient Income or Capital Gains Tax to cover the tax being recovered by the charity on your donation, then you should cancel your declaration by notifying the charity. It will then not apply to any future donations.
2. If you pay tax at the higher tax rate you can claim tax relief for the difference between the lower and higher tax rates on your Self-Assessment tax return.
3. If you are unsure whether your donations qualify for Gift Aid Relief, then please ask the charity.
